> *Not saying anything after this pls do not try to dox me but last night after 0415 they took him [Epstein] [to] medical in a wheelchair front cuffed but not 1 triage nurse sa they spoke to him. Next thing we know trip vans show up? We do not do releases or weekends unless a judge orders it. Next thing we know, he's put in a single man cell and hangs himself? Here's the thing, the trip van did NOT sign in and we did not rec the plate number and a guy with a green dress military outfit was in the back of the according to the tower guy that let him through the gate. You guys I am shaking rig now but I think they switched him out.*
